

DISNEY XD BRINGS GRASSROOTS FOOTBALL TO URBAN NEIGHBOURHOODS THIS SUMMER WITH BEACH SOCCER ROADSHOW

- ***Minehead, Butlins – Saturday 15 August***

Disney XD, the new kids TV channel launching later this year, and England Beach Soccer, the official governing body of the sport, have joined forces in a bid to get kids involved in one of the UK's fastest-growing sports. The deal will see Disney XD bring its beach soccer road show to urban locations throughout the UK this summer.

As well as competitive matches for kids aged 8-14, each event will include skills and drills, coaching sessions with members of the England national beach soccer squad, exclusive sneak peeks at upcoming Disney XD shows, along with music and demonstrations.

As popularity for the sport in the UK gathers momentum, the hunt is now on for officials to seek out the next generation of talented youngsters to nurture and help rise up through the ranks. Teams are chosen on a first come first serve basis, and with the demand for places expected to be high, players are encouraged to register their team by emailing james@englandbeachsoccer.com or calling 0208 232 7184.

Events Details
